She also thanked the Youth Council advisors, City Recorder Dorothy Jeffery and Council Member Wesley Bloomfield for their help and support.

Mayor Jenny Wright then reviewed with the Council the Youth Council's plans and projects for the coming year. The projects she mentioned were as follows:

August 19th was the first Delta City Youth Council Meeting where Parliamentary Procedure was discussed and practiced.

September 15th was a Youth Council sponsored dance.

Making Trauma Bears is the next project. These are teddy bears that EMT's and Police Officers give to children that are involved in a traumatic experience.

Several events throughout the year have been planned for the residents of the Sands Apartments.

The Youth Council is presently working on a proposal to the City Council for a Delta City beautification project, which would consist of placing cement planters throughout the downtown business district.

Delta High School has also asked the Youth Council to

help with a building project.

Mayor Wright said that the Youth Council meetings are held every Wednesday at 5:30 p.m. and invited anyone interested to attend.

GAYLE WHATCOTT, PTA: TRAFFIC CONTROL AT THE DELTA HIGH SCHOOL AND DELTA NORTH ELEMENTARY

Mayor Dafoe asked Gayle Whatcott, Parent Teachers Association, to address the Council regarding traffic control at the Delta High School and the Delta North Elementary.

Gayle Whatcott explained that a group of concerned parents met with the Millard School Board to discuss an excessive traffic problem on streets near the Vocational School, the High School, the Middle School and the Delta North Elementary. At that meeting a committee was appointed to instigate a plan for traffic safety.

Mrs. Whatcott, committee spokesperson, reviewed the following list, which are areas that the committee feels need special attention for traffic safety:

TRAFFIC SAFETY COMMITTEE RECOMMENDATIONS

1. Signs are needed for crosswalk - 100 North 100 East
2. Crosswalk and signs are needed at 100 North Center
3. Crosswalk and signs are needed at 200 North 100 East
4. Crosswalk and signs are needed at 100 West 200 North
5. Sidewalks are needed along parts of 200 North, where sidewalks are not available
6. Consideration should be given to speed limit signs near school areas - 25 MPH or School Zone, 20 MPH
7. Crosswalks are needed by the Middle School
8. It is suggested that a study be done to determine a priority list of needed sidewalks
9. Consideration might be given to 4-way stop signs in needed areas
10. Can 15 MPH speed limit signs be posted on school property and enforced by police officers?

Mrs. Whatcott then displayed a map of the above mentioned areas.

Mayor Dafoe asked Superintendent Kenneth Topham to address the Council concerning this issue.

Superintendent Topham said that the School District has made an effort to try to address the traffic problems and concerns between the Technical College and the High School. He said that there is more work to be done but some progress has been made.

Discussion was held regarding the above listed recommendations. Mayor Dafoe said that he talked with a representative of the State Road Department and asked them to consider painting four crosswalks across Main Street. Mr. Dafoe also requested permission from the State Road Dept. to purchase a drum of white paint from them to paint additional crosswalks near the Delta schools.

Delta North Elementary Principal Scott Bassett addressed the Council and recommended that a sidewalk be installed at 200 North Street - from Center Street to 100 East. He said that the elementary school children could be routed along 100 East to 200 North as a safer route away from the school.

Mayor Dafoe reported that the cost for a 5 ft. wide sidewalk is \$6.25 per linear foot. He estimated the cost for concrete and labor for one block of sidewalk to be \$3,000.

Four-way stops and traffic signs were also discussed. Mayor Dafoe said that he obtained prices for signs from the Utah State Prison and the cost for a 30" sign is \$52.00. The total estimated cost for the recommended traffic signs would be \$1,100.

Funding for traffics signs, crosswalks and sidewalks was then discussed. Mayor Dafoe said that Delta City recently sold a surplus street light for \$1,500 and recommended that that money be used towards this project.

A representative from the Parent Teacher's Association (PTA) said that the PTA would purchase signs if the City would pay for the installation of sidewalks.

Youth Council Mayor Jenny Wright volunteered the Youth Council's help in this project.

Mayor Dafoe then recommended that, as a partial solution, the crosswalks be painted while the weather still permits and that the sidewalk project begin in the Spring.

The PTA then said they would donate funding for signs if the City would donate the labor for installation.

Council Member Wesley Bloomfield MOVED that the City Council take whatever steps necessary to purchase signs and that the City donate the labor for installation of the signs, that the City furnish the paint for additional crosswalks, and to establish speed signs along the main traffic areas, as has been indicated by the School District. Also, to consider a possible four way stop at 100 East 200 North. The motion was SECONDED by Council Member Rex Harris. Mayor Dafoe asked if there were any comments or questions regarding

the motion. There being none, he called for a vote. The motion passed unanimously.

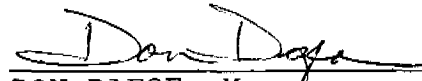

Mayor Dafoe thanked the PTA for their interest and willingness to help and for their generous contribution.

Discussion was briefly held regarding Librarian Deb Greathouse's employee benefits. The Council agreed to pay Mrs. Greathouse's insurance premium for three months while she is unable to work. City Recorder Dorothy Jeffery was instructed to check on Mrs. Greathouse's Sick Leave and Annual Leave and report back to the Council.

Council Member Rex Harris asked the Council if they would consider renting the remainder of this year's irrigation water. The Council spoke in favor of renting the water and using those funds to further the traffic safety program mentioned earlier. Council Member Rex Harris was instructed to follow through for further information.

Mayor Dafoe asked if there were any comments, questions or items to be discussed. There being none, Council Member Wesley Bloomfield MOVED to adjourn. The motion was SECONDED by Council Member Gayle Bunker. Mayor Dafoe asked if there were any comments or questions regarding the motion. There being none, he called for a vote.
